

RADIATION SAFETY ACT

Medical Radiation Technology Licence Holders

The Radiological Council licenses Medical Radiation Technologists in Western Australia for medical imaging, nuclear medicine and radiation therapy purposes. This document provides a list of licensed medical radiation technologists (including temporary permit holders) and the expiry date of each licence.

The list is generated on the date shown in the footer. It does not include licences that have been issued since this date, but will include some licences which have since expired. Please contact an officer of the Council for further information.
